

Dear guests and friends!

The "Gaststuben" in our house are small, comfortable, warm, personal and casual! They offer space for friendships and Alpine lifestyle.

We cook traditional, contemporary and modern. Sustainability and regionalism is given a lot of "space" by purchasing raw materials from local producers; and lived where possible. When creating our menu, we pay attention to the appreciation of our food.

Upon request, we prepare the labeled dishes gluten-free or lactose-free. For seasoning we use Ursalz.

We are here for you almost all year round. Feel free to come and join by the family atmosphere, explore yourself and come back soon!
